Why Apex Rx powered by America's Pharmacy Source:

Many Rx discount plans out there have lost their steam and pharmacies have learned to work around them to maximize their payment, at times not even utilizing the actual discount plan. Discount Rx plans are now old school and an inefficient way to purchase medications.

Welcome to the new, revolutionary pharmacy program with a mission to provide affordable prescriptions and helpful information to its members, **Apex Rx** powered by America's Pharmacy Source.

ACA Mandated Preventive Care Medications: 100%, \$0 Copay

Acute Medications (Immediate Need) If you have an immediate need for these types of medications you can purchase your acute drugs with a \$5.00 copay for up to a 21-day supply. This includes 83 of the most commonly prescribed medications at over 64,000 pharmacies nationwide.

Maintenance Medications (Chronic Needs): 90% of the most utilized chronic medications can be purchased in a 90-day supply for the lowest prices around. We purchase our medications direct from American Producers and Suppliers, cutting out the middle-man and passing the savings on to you. 21-22 therapeutic categories and 90% of the most commonly prescribed maintenance medications for a \$15, \$30 or \$45 copay. You will know exactly what your pricing is, never any balance billing.

Over-the-counter medications: Apex Rx has made it our mission to supply you with the lowest-price and highest quality medications from any American based companies. Our goal is to save you money and give you peace-of-mind. By sourcing direct from the manufacturer, and having the best customer service, we can save you money each month and give you a great experience with medications mailed directly to your home. Savings often over 70%. Please see Apex Rx Welcome Kit.

Savon Diabetes: A Real value, a game-changing program for members with Diabetes in which they can get a **FREE** glucometer, 1 box of test strips (50 Count), 1 lancet device, 1 box of lancets (100 count), Control Solution and free shipping. Then great pricing on 90-day supplies thereafter, substantially less than retail

Pharmacy Coaching: Apex Rx is looking out for you. Our experienced team of customer service and Licensed Pharmacists provide the highest level of care when members need it most. Through Pharmacy Coaching, we educate members on possible medication options and opportunities to save additional money when available. We consult with you and your doctor to inform you of alternatives and help make the best decision for your personal and financial health.

ACUTE FORMULARY (Immediate Need)

The most utilized acute medications in our formulary can be purchased up to a 21-Day supply for a \$5.00 payment! If there is an emergency, sickness or injury and you need your medications fast, our membership card will allow you to fill your prescription at any of 64,000 pharmacies nationwide for only \$5.00. Each medication may only be filled (2) times within a 180 day period. Fills after first two will be standard contractual pharmacy rates. For Chronic Medications, please call or refer to the Chronic Formulary for APS Home Delivery.

PinnacleConnect is a web-based tool designed to simplify employee benefits administration while providing maximum flexibility to help control costs.

KEY FEATURES—

- Employees are invited by text and/or email to a mobile-friendly shopping cart (left) where they verify their data, add dependents, and choose preferred coverages.
- HR administration includes streamlined functionality for adds and terms, report generation, and monitoring of employee participation.
- · Simplified invoice / consolidated billing for all lines of coverage.
- Ability to offer class-specific benefit packages. For example, you could offer employees a
 MEC and some voluntary ancillary coverages. Managers could be offered a traditional plan
 with some additional funds to put towards preferred ancillary coverages.
- Employers can provide a defined contribution for employees to spend on preferred coverages that are available from the shopping cart menu.
- ACA compliance (with tracking, reporting, and forms) and COBRA administrative services come built-in.
- Enrolled employees get access to the Health Wallet Consumer App. Key features include—
 - · On demand plan information and ID cards
 - · Best Rx pricing search tool and coupons
 - · PPO provider search tool
 - Healthcare concierge / additional tools and tips available to help employees better understand and utilize their benefits
- Broker and vendor commissions are electronically paid within no more than 30 days of employer premium collection. In nearly all cases, payment is issued within 7-10 days of premium collection.

Today's health care system can be confusing and frustrating making you spend more time than you need to.

HealthWallet was built with this problem in mind. We deploy a suite of best-in-class digital healthcare technology features to bring convenience and transparency to the already complex and confusing healthcare system. We put our members in control of their healthcare costs. Through ondemand access to providers and the ability to understand the costs for prescriptions and medical procedures before they get them. We achieve all of this through on extremely user-friendly and cost effective mobile app experience.
